WHO ARE WE?

We are McMaster University's official game development club! We are a group of passionate students interested in all aspects of creating games, from programming to design to art, music, and more! For the past three years, we've been hosting regular workshops, community meetings, and game jams for the Hamilton and GTA community. SPONSOR THE Game Jam 2026

This is our biggest event of the year – our annual Game Jam. Participants will come together to create a game based on a theme within a three-week period. Afterwards, a group of GDC exec team members select the top three games based on judging criteria.

We'll also be running our weekly community meetings, Gamedev Circles, for participants and club members to come together and jam! Normally, these are casual events for members to socialize and work on games together, but will also be place for participants to work on, prototype, playtest, and showcase their jam games!

As a sponsor, you'll build awareness of your organization and help foster the Hamilton & Greater Toronto Area game dev community! We're mainly looking for funding for the top three prizes of the jam – usually giftcard(s) of the winner's choice. Due to the size of our club, we can gladly tailor your sponsorship to fit your needs!
